

*CBA Services Proudly Endorses*

## **STS GROUP**

**as a Preferred Provider of Bank Security Equipment & ATMs**

The CBA Services Board of Directors is pleased to announce the selection of STS Group, as a preferred provider of Bank Security Equipment & ATMs.

STS Group offers guidance, direction and insight to meet your bank's security equipment needs from the ground up. The company's motto is "building relationships" and according to the company's customers that is exactly what STS does. In fact, STS already provides its products and services to 31 CBA bank members and looks forward to expanding its footprint throughout Alabama.

"Watching this company form simply out of an appreciation for quality service makes accepting this endorsement a very proud day for myself and our entire team," said Scott Couch, president of STS Group. "I am committed to providing the best equipment and services in the industry. We do not take this endorsement lightly and look forward to working with CBA member banks for years to come."

STS Group is a full service provider of the following Physical Security/ customer convenience equipment:

- Modular Vaults
- Drive Thru Equipment (Deal Drawers/Remotes)

- Bullet Resistant Drive Thru Windows
- Safes, Night Depositories
- Safe Deposit Boxes
- Under Counter Teller Equipment
- Alarm Systems
- Access Control Systems
- CCTV Systems
- ATMs
- Access Control Vestibules
- Promotional Video Systems
- A/V Systems

"STS Group treats its customers very much like our member banks treat their customers. Community banks are known for being an integral part of their communities and offering unparalleled service. STS feels the same way about its customers," said CBA President & CEO Scott Latham.

Will Walker, CBA Services Chairman, agreed and said CBA members can rest assured that when facing a need regarding their security equipment or ATMs just a call to STS Group will ensure that those needs will be met. "The STS Group places a high priority on responding to the customer quickly and efficiently," Walker said.
